ANTHONY A. WILLIAMS
MAYOR

Dear Taxpayer:

As the District of Columbia continues on its path of fiscal recovery, government is working to pass the benefits of the stronger economy to citizens. This year, the District implemented a number of tax law changes, many of which will reduce the burden on middle-income residents. You will find these and other important changes in the instructions accompanying your D.C. 2001 Individual Income Tax Return.

We are in the second year of a five-year tax reduction plan for business, real property, and individual income taxes in the District. By far, the largest tax cuts go to individual income taxpayers. The top individual tax rate (for those earning \$30,000 or more a year) is reduced from 9.5% to 9.3%. More taxpayers can take advantage of the lower rate of 7.5%, as the middle-income bracket ceiling rises from \$20,000 to \$30,000 per year. In a separate tax relief program for lower-income families, the new Earned Income Tax Credit has been expanded—increasing from 10% to 25% of the federal level.

Along with tax code improvements, we are trying to make filing simpler and less “taxing” for everyone. The new D-40 has been redesigned to be user-friendly and allow for faster processing. We started with a bright, new look and added an at-a-glance user guide on the back cover. But the big news is inside. The redesigned form incorporates our new tax provisions and provides clear instructions for each line item. A new Schedule S has been added for supplemental and dependent information. Here are a few additional highlights:

- Social security numbers have been eliminated from the address label to protect against identity theft.
- All dollars are to be rounded to the nearest whole dollars.
- More taxpayers may now file the D-40EZ due to less restrictive eligibility requirements.

Your D-40 package includes an instruction booklet written in straightforward language. It is extremely important that you follow the instructions very carefully to receive the benefits of the changes for the 2001 tax year. This will help avoid mistakes that might delay the processing of your tax returns.

Finally, I want to thank you for making the District of Columbia your home, and for supporting city services through your tax dollars. Together, we're building a strong city and bright tomorrow.

Sincerely,

A handwritten signature in cursive script that reads "Anthony A. Williams".

Mayor Anthony A. Williams

Who must file a D.C. tax return?

You must file a D.C. tax return if

- You were a D.C. resident and were required to file a federal return.
- Your permanent residence was in D.C. for either part or all of 2001.
- You lived in D.C. for 183 days or more during 2001, even if your permanent residence was outside D.C.
- You were a member of the armed forces and D.C. was your home of record for either part or all of 2001.
- You are the spouse of an exempt military person or another exempt person, such as a non-resident presidential appointee, and you meet one of the above requirements.

Do not file a D.C. return if

- You were not required to file a federal return.
- You were not a resident of D.C. at any time during 2001.
- You were an elected member of the U.S. government who is not domiciled in D.C.
- You were an employee on the personal staff of an elected member of the U.S. legislative branch and you and the elected member are bona fide residents of the same state.
- You were a member of the U.S. executive branch appointed by the President, subject to confirmation by the U.S. Senate, and whose tenure of office is at the pleasure of the President.
- You were not domiciled in D.C. during any part of 2001.
- You were a justice of the U.S. Supreme Court and were not domiciled in D.C. during any part of 2001.

Special filing circumstances

Part-year status

If you were a D.C. resident (or your permanent home was in D.C.) for less than a year, you must file as a part-year resident.

Amended return

If the Internal Revenue Service made an adjustment to your individual federal tax return, you must file an amended D.C. return within 90 days of receiving notice of the federal change. To file an amended return, complete another D-40 with the correct information and fill in the amended oval.

Refund of D.C. taxes withheld

If you are a D.C. resident but are not required to file a D.C. return, you must file a D-40 or D-40EZ to request a refund of any D.C. taxes withheld.

If you are not a D.C. resident and are not required to file a D.C. return, but D.C. tax was withheld from your wages, use Form D-40B, Nonresident Request for Refund or Ruling.

Which form should you file?

FR-127 Extension of Time to File

Use this form if you cannot file a complete return by the April 15 due date. You can receive a four-month extension of time. You must submit this form on or before April 15, 2002.

A filing extension is not an extension of the due date of any tax you may owe. Before filing for an extension, you should estimate the taxes you will owe *and pay* this amount with the FR-127 on or before April 15, 2002.

You will be charged penalty and interest on any amount of tax not paid on time.

When are your taxes due?

Due date

You must file your return and pay any taxes due by April 15, 2002.

If you need more time to file your return, submit a request for an extension, Form FR-127, on or before April 15, 2002. Any tax due must be paid in full with the request; there is no extension of time to pay.

What are your payment options?

Credit card

You may pay the amount you owe on your 2001 tax return using MasterCard, Discover, or American Express. You will be charged a fee of 2.5% of your payment, which is paid directly to the Official Payments Corporation, our credit card service provider. Your payment will be effective on the day you charge it.

To charge your taxes by phone

Call 1-800-272-9829 using a touch-tone phone. The jurisdiction code is 6000. You will be given a confirmation number that you should save for your records.

To charge your taxes online

Log onto www.officialpayments.com and select “make a payment.” The jurisdiction code is 6000. You will be given a confirmation number that you should keep with your records.

Check or money order

Include a personal check or money order payable to the D.C. Treasurer with your completed return. **Write your social security number, daytime phone number, and “2001 D-40” on your payment.**

How can you avoid penalties or interest?

File your return on time

There is a 5% per-month penalty for failure to file a return or pay any tax due on time. The penalty is calculated on the unpaid tax for each month or part of a month that the return is not filed or the tax is not paid. The maximum penalty is 25% of the tax due.

You will be charged interest of .0355921% per day or 13% per year on any tax not paid on time. Interest is calculated from the due date of the return to the date when the tax is paid.

Estimate your taxes accurately and pay as you go

You need to estimate the amount of taxes you will owe and pay your taxes periodically throughout the year. You may have your employer withhold taxes from your earnings, or make payments yourself, or both.

If you expect to owe \$100 or more in taxes after subtracting your withholdings and credits from your estimated total tax, you must make additional payments on your own. You can request D-40ES, Estimated Individual Income Tax Vouchers, by calling 202-442-6546. The D-40ES voucher booklet explains the estimated tax payment rules.

You will be charged a .0355921% per day penalty for underpayment of taxes. An underpayment occurs if your withholdings, credits, and estimated payments do not equal at least 90% of the amount of tax you owe on your 2002 D.C. return or 100% of the amount you owed on your 2001 return.

Do not understate your taxes

There is a 20% penalty on any understated amount of taxes due if:

- The unpaid amount is more than 10% of the actual amount due; or
- The unpaid amount is \$2,000 or more.

You will pay the penalty on the greater amount.

Tax preparers must pay a penalty for understating taxes for any of the following reasons:

- If the refund or amount due is based on unrealistic information.
- If the preparer should have been aware of a relevant law or regulation.
- If relevant facts about the return are not adequately disclosed.

Penalties range from \$250 to \$10,000.

Make sure your check will clear

You will be charged a \$50 fee if your check is returned to us.

Instructions for 2001 D-40

Getting started

To help you complete this form, you should have the following items on hand:

- A copy of your completed 2001 federal return including your Form 1040, 1040A, or 1040EZ and any additional forms, schedules, or worksheets
- A copy of your completed state return if you file an income tax return with another state
- Copies of all W-2 and 1099 forms
- A calculator

You will need to do a series of calculations within these instructions and copy many of the line items and resulting amounts onto your D-40. You may also need to attach other federal and D.C. schedules, forms, and worksheets to your D-40.

Schedule S Supplemental information and dependents

Schedule S is a new supplement to the D-40 that accommodates additional information required for completing your D-40. It provides space for reporting a foreign address, dependents, D.C. franchise and fiduciary tax information, Calculation G for determining the number of exemptions, and Calculation J for determining the D.C. tax amount for married filing separately on the same return.

If you use this schedule, please staple it to your return.

Part-year residents

You will receive special guidance for completing your D-40 throughout these instructions.

Personal information

Amended return *Fill in oval.*

If the Internal Revenue Service made an adjustment to your federal individual income tax return, you must file an amended D.C. return within 90 days of receiving notice of the federal change. To file an amended return, fill in the amended return oval, and complete the D-40 with the correct information. You should file an amended return separately from any other return. By filing an amended return as soon as possible, you will minimize the accumulation of any applicable penalty and interest charges. (Form D-40X is no longer used.)

Filing for a deceased taxpayer *Fill in oval.*

If a taxpayer died in 2001 or in 2002 before filing a return, a return must be filed for the person. Complete this form using the deceased's information, not your own.

You do not need to adjust his or her income, exemptions, or deductions to account for the date of death. Tax preparers other than the surviving spouse, such as executors, attorneys, or other personal representatives, must attach letters of administration. If a refund is due, attach Form FR-147, Statement of Person Claiming Refund Due a Deceased Taxpayer, and a copy of the death certificate.

Foreign address *Use Schedule S.*

If your home address is in another country, provide this information on Schedule S. Do not abbreviate the country name. Follow the country's practice for entering the postal code. Attach Schedule S to your D-40.

Dependents *Use Schedule S.*

You can take an exemption for each of your dependents. If you have any dependents, you must use Schedule S to list each dependent's name, social security number, and relationship to you. Attach Schedule S to your D-40.

Filing status

More than one status may apply to you. Choose the one that will give you the lowest tax.

Usually, you will file the same status on your D.C. return as you filed on your federal return. However, if you filed married filing jointly on your federal return, it may be better for you to file either *married filing separately* or *married filing separately on same return* on your D.C. return. If both spouses have income, there may be a tax savings in filing separately. You should figure your tax both ways to see which status is better for you.

Line 1 Single

You were unmarried or legally separated on December 31, 2001, or were widowed and did not remarry before January 1, 2002.

Married filing jointly

You were married and both spouses were D.C. residents as of December 31, 2001, or your spouse died in 2001 and you did not remarry in 2001. If you are legally separated, you cannot file jointly.

Married filing separately

You are married and both spouses had income.

Include your spouse's name and social security number in the *Personal information* section.

You will each report only your own income, exemptions, deductions, and credits. You will each report one half of income from securities, bank accounts, real estate, etc., that are registered or titled in joint names.

You must file using this status if:

- You and your spouse were part-year residents of D.C. during different periods of 2001.
- You were a D.C. resident and your spouse was one of the following:
 - A member of the armed forces and not considered a D.C. resident;
 - A member of the U.S. Congress or an employee on the personal staff of a member of Congress who is considered a resident of the member's state of residency;
 - An officer of the U.S. Executive Branch whose primary residence was not in D.C., and who is appointed by the President, and who is confirmed by the U.S. Senate and serves at the pleasure of the President; or
 - A justice of the U.S. Supreme Court whose primary residence was not in D.C.

Dependent claimed by someone else

If you are claimed as a dependent on someone else's 2001 tax return you may not claim an exemption for yourself.

Married filing separately on same return

If you claim this status, you and your spouse combine your separate refund or payment amounts so that you will either receive one refund or make one payment. You can also claim credit for child and dependent care expenses, which is not allowed if you file separately on separate returns.

Before filling out your D-40, you will need to figure the following amounts for you and your spouse:

- Each person's federal adjusted gross income;
- Each person's additions to federal income;
- Each person's subtractions from federal income;
- Each person's deductions; and
- Each person's exemptions

You will also need to complete **Calculation J** on Schedule S.

If you and your spouse were *part-year residents* of D.C. during different periods of 2001, you cannot use this status. You must file separate returns.

Head of household

You were unmarried or legally separated on December 31, 2001, and paid over half the cost of keeping up a home for a qualifying person, such as a child or parent. Certain married people who lived apart from their spouse for the last 6 months of 2001 may also be able to use this filing status.

Use Schedule S to enter the name of the qualifying person if he or she is not a dependent.

Line 2

Part-year resident

If you resided in D.C. for only part of 2001, you must adjust your income, exemptions, and deductions.

Before completing the D-40, you should calculate the following:

- The amount of income received during the time you were a resident of D.C. and during the time you resided outside D.C.
- The amount of each deductible expense paid during the time you resided outside D.C. and during the time you resided in D.C.

Number of months of D.C. residency

Enter the number of months you were a D.C. resident. Divide the number of days you lived in D.C. by 30 to figure the number of months. Any remainder over 15 days counts as a full month.

Example: 196 days of residency in D.C. divided by 30 =
7 months (6 months plus a remainder of 16 days).

Income

The amount of income on which you are taxed on the federal return is often different from the amount of income you are taxed on by D.C. You will make adjustments to your federal income in lines 13 through 16 by subtracting amounts that are exempt from D.C. tax and adding amounts that are exempt from federal tax.

- **You can copy many** line amounts directly from federal forms 1040, 1040A, and 1040EZ. Please be careful since the line numbers for these amounts will differ from D-40 line numbers.
- **Copy lines 3 through 12** from the appropriate lines on your federal return. Do not recalculate any amounts or totals. Some income on your federal return may not need to be copied.
- **Not all items will apply to you.** Fill in only those that apply. If the amount is zero, leave it blank.
- **If you had a loss** for lines 6, 7, 8, or 9, fill in the oval to indicate a negative figure. Do not enter a minus sign in the boxes.
- **Round amounts** to the nearest dollar. Drop cents for amounts under 50¢, and round up to the next dollar for amounts 50¢ and over.
Example: \$10,500.50 rounds up to \$10,501
\$10,500.48 rounds down to \$10,500

Line 3 Wages, salaries, tips, etc.

Enter the amount from your 1040 or 1040A, line 7 or 1040EZ, line 1.

Line 4 Taxable interest

Enter the amount from your 1040 or 1040A, line 8a (do not include 8b) or 1040EZ, line 2.

Line 5 Ordinary dividends

Enter the amount from your 1040 or 1040A, line 9.

Line 6 Business income or loss

Enter the amount from your 1040, line 12. Attach a copy of 1040 Schedule C or C-EZ.

Farm income or loss

If you had farm income or loss, enter the sum of lines 12 and 18 from your 1040. Attach a copy of 1040 Schedule F.

Line 7 Capital gain or loss

Enter the amount from your 1040, line 13. Attach a copy of 1040 Schedule D.

Line 8 Rental real estate, royalties, partnerships, S corporations, trusts, etc.

Enter the amount from your 1040, line 17. Attach a copy of 1040 Schedule E.

Line 9 Other income

Enter the amount from your 1040, line 21.

Line 10 Federal total income

Enter the amount from your 1040, line 22; or 1040A, line 15; or 1040EZ, line 4.

Line 11 Adjustments

Enter the amount from your 1040, line 32 or 1040A, line 18. If you had adjustments to your federal total income, attach a copy of page 1 of your 1040 or 1040A.

Line 12 Federal adjusted gross income

Enter the amount from your 1040, line 33; 1040A, line 19; or 1040EZ, line 4.

Line 13 Subtractions from federal adjusted gross income

This is income that D.C. does not tax. You can subtract it from your federal adjusted gross income. Complete **Calculation A**.

Part-year resident

For each type of income you reported on your 1040, figure out the amount you received during the time you resided in D.C. and the amount you received while you resided outside D.C. Enter the total for the time you resided **outside** D.C. Also, enter this amount in line a of **Calculation A**.

Line 14

Subtract line 13 from line 12.

Line 15 Additions to federal adjusted gross income

This is income that is not taxed by the federal government and deductions not allowed by D.C. that you must add back to your adjusted gross income to figure your D.C. tax. Complete **Calculation B**.

Line 16 D.C. adjusted gross income

Add lines 14 and 15. Re-enter this number on line 16, page 2.

Re-enter your last name and social security number on the top of page 2.

D.C. taxable income

Indicate which type of deduction you are taking. You must take the same type of deduction you took on your federal

Some, all, or none of these line items may apply to you. Fill in only those that apply. You may copy lines a, c, d, e, and g directly from other forms.

**INSTRUCTIONS FOR
SCHEDULE H (HOMEOWNER
AND RENTAL PROPERTY TAX CREDIT)**

You may qualify for the property tax credit even if you are not required to file a D.C. Individual Income Tax Return. If you are required to file a D.C. Individual Income Tax Return, you must file a Form D-40 together with a Schedule H to claim a property tax credit. If you are not required to file a D-40 you may file the Schedule H separately.

Who Qualifies?

To qualify for the Property Tax Credit you must meet the following criteria.

1. You must have been a District resident for the entire year and lived in the property(ies) you owned or rented during 2001.
2. Your household gross income must have been \$20,000 or less for the year.
3. If you were not age 65 or older on or before December 31, 2001, you must not have been claimed as a dependent on someone else's 2001 federal, state, or D.C. Income Tax Return; and
4. The house or apartment that was your home must not have been part of a public housing dwelling. If you rented from a landlord whose property was exempt from real property taxes, or the landlord paid a percentage of rental income to the District in lieu of real estate tax, you cannot claim the property tax credit.

Use the Property Tax Credit - Table A if you are under age 62 and are not blind or disabled.

Use the Property Tax Credit -Table B if you are blind or disabled. You may also use the Property Tax Credit Table B if you were age 62 or older and you, together with your spouse (if married), provided 50% or more of the household gross income.

A Property Tax Credit may not be claimed on behalf of a deceased taxpayer who died on or before December 31, 2001.

How To File

If you are required to file a Form D-40, your completed Schedule H must be attached to your Form D-40. If you are not required to file a Form D-40, the Schedule H may be mailed by itself to the Office of Tax and Revenue, Ben Franklin Station, P.O. Box 7861, Washington, D.C., 20044-7861 on or before April 15, 2002.

Schedule H is due on or before April 15, 2002. However, a reasonable extension of time to file may be granted if it is filed with your D-40. See Page 5 of these instructions to find out how to request an Extension of Time to File your D-40.

NOTE: District law requires you to furnish your social security number in the space provided on Schedule H. This number will be used for identification of your tax account with the District and for other tax administration purposes only.

Important Definitions

1. The word "home" means your dwelling, whether owned or rented, and the land surrounding it as reasonably necessary for use of the dwelling as a home. The word "home" also includes a multi-unit or a multi-purpose building and a part of the land on which it is located.
2. The word "household" means all the individuals living in the home.
3. The term "household gross income" means the total of all income received by all the individuals living in the home, including cash distributions from a business or investment entity in which any member of the household has an interest.
4. The term "rent paid" is the amount paid by a claimant of the property tax credit to a landlord solely for the right of occupancy of a home in the District. "Rent paid" does not include advance rental payments for another period; rental deposits, whether or not expressly set out in the rental agreement; any charges for medical services or food provided by the landlord; or payments made to a landlord for the right of occupancy of property which is exempt from the District's real property taxes.
5. The term "members of a household" means all individuals living in one household whether or not they are related. For example, two or more unrelated individuals sharing an apartment or house are members of a household.
6. The term "age 62 or older" means age 62 or older during 2001.
7. The word "blind" means a central visual acuity that does not exceed 20/200 in the better eye with correcting lenses; or visual acuity greater than 20/200, but accompanied by a limitation in the field of vision such that the widest diameter of the visual field subtends an angle no greater than 20 degrees.
8. The word "disabled" means unable to engage in any gainful activity by reason of a medically determinable physical or mental impairment which can be expected to result in death or has lasted or can be expected to last for a continuous period of not less than 12 months. Certification of such physical or mental impairment by a licensed physician selected by the claimant at his or her own expense must be submitted each year. A claimant should use the Physician's Certification provided on Page 2 of Schedule H.

NOTE: The questions in Part I of Schedule H must be answered. Failure to do so will cause your claim for the credit to be disallowed until the information is furnished. You must indicate if you were the recipient of rent supplements during 2001. If you claim the property tax credit under Section B of Schedule H, you must check the appropriate block(s) as to whether you are age 62 or older, blind, or disabled.

Complete either Section A or Section B (as appropriate) to calculate your property tax credit. Do **not** complete both sections.

**ONLY ONE MEMBER OF A HOUSEHOLD
CAN CLAIM THE
PROPERTY TAX CREDIT**

Taxpayers must complete page two of schedule H before completing page one.

INSTRUCTIONS FOR PAGE TWO OF SCHEDULE H

Line 17 – Household Gross Income

You must report the 2001 income of every member of the household for each income category listed. Income must be reported whether or not it is subject to District Income Tax, otherwise, the claim for property tax credit will be disallowed.

1. List in Column (1) all the income of the applicant (claimant).
2. List in Column (2) all the income of the claimant's spouse.
3. List in Column (3) the total gross income of all other members of the household.

If you live in an apartment, or house, or room where you share the kitchen and bath facilities, this is a shared arrangement and is considered one household. The income of all members of such household must be reported on Schedule H for purposes of calculating the credit. However, if you are a tenant in a house, apartment, or room that has a separate kitchen and/or bathroom, you would be considered to be the sole claimant.

If you rent a portion of your home, be aware of the above instructions as they apply to you. Thus, if you share a kitchen and bath with a tenant, the tenant's income must be reported by you in your Schedule H.

If you sublet to another individual, a separate room or apartment within your place of residence, the portion of rent you pay that applies to the sublet space is not includible in the computation of the property tax credit. The income you receive from subletting is subject to tax and must be reported on your Form D-40 - Individual Income Tax Return.

Line 18: Summary of Household Gross Income Schedule

Enter the totals from Line 17, Columns (1), (2) and (3) respectively on Lines 18 (a), (b) and (c). Add Lines 18(a), (b) and (c) and enter the total on Line 18(d).

INSTRUCTIONS FOR PAGE ONE OF SCHEDULE H

Section A

Line 6 – Enter the amount of the household gross income from Line 18 (d), Schedule H. If this amount exceeds \$20,000, you are not entitled to the credit.

Line 7(a) – If you owned your home in the District during all of 2001, enter on Line 7(a) the amount of the real property taxes you paid.

NOTE: *Your property tax credit must be computed based on your housing status (rent/own) on December 31, 2001.*

The deferred portion of your real property tax, as defined under D.C. Code §47-845, may be included as part of the real property tax in computing the property tax credit.

Line 7(b) – If you were a tenant in the District for all of 2001, enter 15% of any rent paid (rent multiplied by .15). If you rented more than one home in the District during 2001, divide the total amount you paid to your last landlord during 2001 by the number of months of occupancy and multiply the results by 12. Multiply this result by 15% (.15) and enter the figure on Line 7(b).

INSTRUCTIONS

PURPOSE – Use Form FR-127 to request a four-month extension of time, or an additional two-month extension of time, to file an Individual Income Tax Return, Form D-40, Form D-40EZ or Fiduciary Income Tax Return, Form D-41.

WHEN TO SUBMIT FORM FR-127 – The request for an extension of time to file must be submitted on or before the due date of the individual income tax return, or the extended due date of a previously approved four-month extension request.

PART I. REQUEST FOR EXTENSION OF TIME – A four month extension of time will be granted if you complete the form properly, file it on time and PAY the amount of tax due (Line 7). You need to submit only the original request form; do not file in duplicate. However, a copy of FR-127 must be attached to your return when filed. A separate request must be submitted for each return. Blanket requests for extensions will not be granted.

PART II. REQUEST FOR ADDITIONAL EXTENSION OF TIME TO FILE – Complete Part II to request an additional extension of time to file your return (but not to exceed two months) only if you were previously granted a four-month extension and you need more time. Part II must be submitted in duplicate.

Your request for an additional extension must show reasonable cause for not filing your return within the four-month extension period. Approval of the request will depend on your efforts to meet the filing date requirements and not on convenience. The Office of Tax and Revenue will evaluate the circumstances under which your preparer or you were unable to complete and file the return by the due date, or the reasons why you were unable to get essential professional assistance in spite of timely efforts to obtain it.

D.C. RESIDENTS LIVING OUTSIDE THE UNITED STATES – Those individuals living or traveling outside the continental limits of the United States at the time their return is due to be filed may complete **PART I** to request a four-month extension of time to file. Such individuals may also request an additional extension of time to file of eight months by completing **PART II** if more time is needed. The original request for extension of time must be filed on time and any balance of tax due (Line 7 of Form FR-127) must be paid at that time.

FEDERAL EXTENSION FORMS - The District of Columbia government does not accept copies of Federal Extension Application Forms. **YOUR EXTENSION REQUEST WILL BE EVALUATED BASED UPON FORM FR-127 ONLY.**

PENALTIES – The penalty for failure to file a return on time or failure to timely pay any tax due is **5%** of the unpaid portion of tax due. The penalty is assessed at the full rate for each month, or fraction thereof, that the failure to file or pay continues, but will not be more than **25%** of the tax due.

INTEREST – Effective January 1, 2001, interest of .0355921% per day (13% annually) is imposed on any tax that is not paid on time. Interest is computed daily from the due date of the return until the tax is paid. Interest must be paid on any late payment even if an extension of time to file the return is granted.

SIGNATURE – The request must be signed by the taxpayer or a duly authorized agent. If a person with a duly authorized power of attorney signs it, a statement to that effect should be provided at the bottom of this page. It is not necessary to attach a copy of the power of attorney. If it is a joint return both parties must sign the request.

If the taxpayer is unable to sign the request because of illness, absence, or other good cause, any person standing in close personal or business relationship to him/her may sign it. However, the signer must state at the bottom of this page the reasons for his/her signature and the nature of his/her relationship to the taxpayer.

SOCIAL SECURITY NUMBER – Under the provisions of D.C. Code § 47-1805.1(a), your social security number must be entered in the space provided on Form FR-127. Your social security number is necessary for the identification of your tax account with the District and will only be used for tax administration purposes.

PAYMENT BY CREDIT CARD – You may not pay your tax using a credit card where payment is made with an extension of time to file request.

WHERE TO MAIL – Mail the completed form with your payment of any tax due (Line 7 of Form FR-127) to the Office of Tax and Revenue, Returns Processing Administration, 6th floor 941 North Capitol Street, N.E. Washington, D. C., 20002. Be sure to sign and date the form. Make the check or money order payable to the D.C. Treasurer. Please put your social security number on your payment and the notation “2001, FR-127”. (Do not send currency.)

WHERE TO CALL – Questions concerning the extension of time to file should be directed to the Customer Service Administration at 202-727-4829.

GENERAL INSTRUCTIONS

The District of Columbia Consumer Use Tax is imposed by the District of Columbia Use Tax Act (D.C. Code §47-2201 et seq.). Generally, this tax is due when you purchase taxable merchandise or services or rent tangible personal property from a seller or rental company located outside the District, and you are not charged any District or state sales tax on the purchase or rental. Typically this occurs when: (1) you order merchandise by mail or telephone (such as clothing, cameras, computer equipment and stereo equipment from a catalog); (2) you order merchandise or rent tangible personal property in person at a business outside the District and the merchandise or rented tangible personal property is sent to you in the District; or (3) you purchase and take possession of merchandise or rented tangible personal property in a state that either does not have a sales tax or does not impose a sales tax on that item which is taxable in the District.

The tax is computed based on the sale price (or rental price) of the item. "Sales Price" does not include separately stated shipping or delivery charges, but it does include a "shipping and handling" charge where this is included as a single item on the bill.

Who should file this form? This return should be filed by any individual who, during the tax year, paid a total of more than \$400 for purchases of taxable merchandise or services or to rent tangible personal property from a business outside the District, and did not pay any District or state sales tax on the purchases or rentals.

NOTE: Businesses, including partnerships and sole proprietorships, must report all purchases and rentals subject to Use Tax on D.C. Forms FR-800M (monthly filers) or FR-800A (annual filers), whichever is appropriate. If you do not file either Form FR-800M or Form FR-800A, but you file a Schedule C or E with your federal return, you must report on the Consumer Use Tax Return (Form FR-329) any purchases on which you did not pay sales tax.

When and where to file?

File your return on or before April 15, 2002. If the due date for filing falls on a Saturday, Sunday, or legal holiday, file your return by the next business day.

Extension of Time to file

There is no extension of time to file Form FR-329. An Extension of Time to file your District of Columbia Individual Income Tax Return **does not** extend the due date for filing Form FR-329. If the return is not filed by the due date, penalty and interest amounts will be added.

Payment

Pay the total amount due, as reported on Line 7 of Form FR-329 by the due date. Make your check or money order payable to the D.C. Treasurer, attach it to the Consumer Use Tax Return, and mail it to the D.C. Government, Office of Tax and Revenue, Returns Processing Administration, 6th floor, 941 North Capitol Street, N.E., Washington, D.C., 20002. Write "2001, FR-329" and your social security number on the face of your payment. (Do not send currency.)

Charge for dishonored checks

There is a charge of \$50 for each dishonored check written to the District of Columbia.

Getting used to the new D-40 form

The new D-40 is designed to be easier to fill out and faster to process, but we need you to fill it out correctly, so please read the instructions.

Don't forget to fill in the oval if you're filing an amended return.

Enter your spouse's name in this section if you are filing jointly **or** filing separately.

Use Schedule S for your dependents' information.

There's a new name for *married filing combined separate*—it's *married filing separately on same return*.

If you need to enter a negative number, use the fill-in oval, don't use a minus sign.

Copy the first 12 lines from your federal return. You may have reported other types of income on your federal return that you don't need to copy here.

It is very important that you re-enter your last name and social security number on the top of all additional pages, attachments and schedules filed with your return.

If you have nothing to enter in a line, just leave it blank. No zeroes, please.

A separate calculation for refunds or payments is designed to make the form clearer. More details about how and when to pay are found inside this booklet.

If you want us to contact someone else with questions about your return, just let us know.

It's not a return if you don't sign it. If you're married filing jointly or separately on the same return, you both have to sign.

Government of the District of Columbia **2001 D-40 Individual Income Tax Return** File order 1

Important: Complete your federal return first. OFFICIAL USE ONLY
Print in all CAPITAL letters in black ink.
Leave lines blank that do not apply to you.
